Recommendation letter for Mr. David Salem

To whom it may concern,

This letter of reference is provided for David Salem, in recognition of his outstanding work and contributions during his internship at Insait.

During his tenure at Insait, I had the pleasure of working with David, who demonstrated exceptional technical skills and strong work ethics. He worked on several projects that required a diverse set of technical skills, and he demonstrated great proficiency in web development frameworks such as React, as well as back-end development frameworks such as Node.js and Express.

David also demonstrated excellent performance in quality assurance, using tools such as Cypress, Postman, and Newman. He has an excellent eye for detail and a strong commitment to quality.

In addition to his technical abilities, David proved to be a great team player, always willing to go the extra mile to help his colleagues. He possesses excellent communication skills, and he always kept the team informed about the progress of the project. His positive attitude and dedication to the team made him a valuable member of our team.

I have no doubt that David would be an excellent addition to your team. He possesses the technical skills and interpersonal qualities necessary to excel in a Fullstack position.

Sincerely,

Dvir Ginzburg, CEO
